LINGUIST CERTIFICATION

I, Adnane Ettayebi, hereby state and certify as follows:

I am fluent in both Arabic and English, and I am qualified to render and certify translations of Arabic documents into English, and translations of English documents into Arabic. A true and correct copy of my linguist qualifications follow this certification.

I have provided a true, accurate, and complete certified translation of the Arabic language document in Plaintiffs' Exhibit 81, which is the page marked FED-PEC0134953.

In addition to my own translation of page FED-PEC0134953, I have reviewed the pages marked FED-PEC0134954 and FED-PEC0134955 in Plaintiffs' Exhibit 81, which appear to be presented as a translation of FED-PEC0134953. The translation on pages FED-PEC0134954 and FED-PEC0134955, which I note is not certified, contains the following errors and ambiguities:

1. Item number 7 is translated incorrectly as "Al-Rajhi." The correct translation of the Arabic letters "الراجي" is "Al-Raji." "Al-Rajhi" in Arabic is spelled differently, with the letters "الراجحي". The two different spellings in Arabic represent two different family names.
2. In item number 8, the translator added (S.A) after Jeddah, which is not in the original Arabic. If this addition refers to Saudi Arabia, the acronym should be (S.A.).
3. Missing periods inconsistency: The translator translated all the periods after and within the names from items 1 to 9 and missed them in items 10, 11, 12, 13, 14, 17 and 20.

I declare and certify that the foregoing is true and correct.
